Soccer:

- Uniform handouts and turn in went “okay.”
- We could improve the process as we move into the 2021-22 school year.
- We received more uniforms back this year than given out based on parents not returning in previous years.
- Discussed the process of distributing and turning uniforms in was discussed as a board with the uniform coordinator.
- We will be implementing a new uniform deposit rule as follows:

Starting Fall 2021 we will be requiring parents to sign a uniform deposit form and provide a \$100 check per uniform at checkout. The check will be held as a deposit until the uniform is turned in. In the event that any uniform is not turned in by a specified due date the check will be cashed to cover a portion of the cost to replace the uniform.

We will have a specific uniform pick up date and turn in date. Voted in favor by all board members.
